

Dear WKU Staff,

We are pleased to announce this semester's recipients of the Staff Council book scholarships. Each staff member will receive a \$50 WKU Store book credit. There were several worthy applicants, however the two with the most votes were:

Hillary Greene, Sponsored Programs
Bionca Washington, Educational Enhancement Programs

The Staff Council's Book Scholarship Committee would like to thank everyone that submitted an application. The Staff Council book scholarship is funded solely by donations, the majority of which are received at the Fall Break Brunch.

Thank you to all staff who donated to the Staff Council fund during the 2015 Fall Break Brunch.

We hope that all the members of WKU's staff have an enjoyable Fall semester. Congratulations to the recipients!
