

Vote for Muchmore!

**Those crazy campaigning pugs are at it again!*

I am a proud WKU alumnus (undergraduate 2004 and graduate 2005). After working with the Kentucky State Police (civilian) for several years, I had the good fortune to make my way back to the Hill in the Office of Sponsored Programs. In my current position, I enjoy the opportunity to work with staff in various capacities across campus. I see Staff Council as an excellent opportunity to become more active in the larger university community and a great venue to let the staff voice be heard, especially as we face changes on campus in the coming years. I believe that my previous experience, both on and off campus, would be a valuable asset to the Staff Council.

I would be honored to represent you on the Staff Council in the Professional Non-faculty Category. Please consider voting for me tomorrow.

Thanks!
Katie
