

Good afternoon all! My name is Cindy Wedding and I am humbly asking for your support and vote for Staff Council in **the Secretarial/Support Staff** category. I have worked at the WKU Owensboro Regional Campus for nine years and I am a proud WKU graduate! I serve as WKU Owensboro's Human Resource and Liaison contact person and as Office Coordinator. Additionally, I am the Title IX Deputy for our campus and serve as test proctor.

After my initial email to announce my candidacy, I was asked by a WKU employee, who doesn't work at a Regional Campus, how I could serve them. Over the past nine years I have developed successful partnerships with Elizabethtown/Ft. Knox, Glasgow and Bowling Green campuses. I do want to be a voice for all staff, regardless of their work location. I feel as though I can bring a voice to the Council that is representative of all staff, but may have a perspective to be strongly considered because I am a Regional Campus employee.

I want to be your voice, a voice **for all staff!**

Please vote; let your voice be heard.

Thank you for your consideration.
