

My name is **Jo Ellen Scruggs** and I am running for staff council in the **Secretarial/Support Staff** category. I am the Office Coordinator for the Department of Allied Health. I have been employed by WKU for nearly seven years. I have a BA from WKU in 2004 and am a graduate of the Staff Leadership Institute in 2013.

I am person of few words, but responsible action. I like to get things done. So if this short email isn't enough to sway your vote for me, here's an adorable picture of my girls playing in the Van Meter fountain last Independence Day.

Devoted Patriot. Proud Alumni. Dedicated Employee.
