

Good afternoon,

I write to ask for your vote for the Staff Council in the At Large category on Wednesday May 18<sup>th</sup>. I received my Bachelor's degree from WKU and have spent the last 11 years in the Grants and Contracts Accounting office. Two years ago I was elected to the Staff Council where I was nominated to serve as the Treasurer both years. I met many new people and learned just how complex and special our campus is. I enjoyed listening to concerns from around campus and working with Staff Council members as well as the administration to come up with a resolution. I love WKU and feel grateful for my job as well as the opportunity to work with such wonderful people. I would appreciate your vote and the opportunity to serve you for the next two years.

The next 12 months will be paramount for our future as WKU employees - let your voice be heard! ☺

Thank you!

Mary
