Jean Thomason was presented the first annual Heritage Award exemplifying significant contributions toward the overall efforts of historic preservation in Warren County. Mrs. Thomason was honored for her efforts in helping to organize Landmark in 1976 and for starting the Main Street Project in Bowling Green. Mrs. Thomason has also served two terms as President of Landmark as well as being a member of the Board of Directors for the past six years.

## MEMBERSHIP RENEWALS

Our 1982-1983 Landmark members should have received renewal notices in April. Please remember that your tax deductible membership is one of Landmark's major funding sources.

Having completed our sixth year and grown to over 350 members, the association has made major accomplishments in preserving the historic and cultural resources in Bowling Green and Warren County.

As an added bonus this year, we are offering a copy of the Kentucky Museum's publication, Main Street: Mirror of Change, for each membership of \$25.00 or more.

We look forward to your continued participation in the important work we are doing in our community. Should you have any questions regarding your membership, contact the office at 781-8106.

## VOLUNTEERS NEEDED

In seven short years, Landmark has grown from a small, all volunteer organization to a large, professionally staffed operation. Our responsibilities to the community have greatly increased and will continue to do so in the near future.

Landmark's duties have recently increased to the point that the office needs part-time volunteer help on a regular basis. Our office would like to develop membership recruitment into a continuing, year-round effort. In order to accomplish this, the office needs 4-6 people to type letters and 2-3 people to stuff envelopes a few hours each month. We would also like two or three people to prepare the newsletter for mailing once each month.

Anyone interested in these projects is encouraged to contact the office at 781-8106. Your help will be welcomed and appreciated.
