

My name is **Hannah Digges-Elliott**, and I am a candidate for Staff Council in the **Professional Non-Faculty** category. As a 2006 and 2014 graduate of WKU as well as an Instructional Designer in Distance Learning, I have a passion for the Hilltopper community.

I have valued my time here on the Hill, and very much look forward to supporting all staff as we transition into new territories and continue a tradition worth preserving. I hope, if elected to the staff council, to ensure that our staff members have a voice in the larger WKU community.

I appreciate and thank you for your time, and your vote!

Thank you,

Hannah Digges Elliott
