Dollar Brother Shoes on Park Row is one of the oldest businesses in the downtown area, in fact the store has been operating since 1937. The store was originally opened by the Dollar Brothers; it is now under the ownership of John Williams, who worked in the store for 34 years before becoming the major stock holder. A business that has lasted for decades must be doing something right.

Dollar Brothers offers a wide selection of fitted shoes, for both men and women. They specialize in narrow widths, therapeutic footwear, and shoe maintenance products. The store normally has two major sales per year, this year they will be having an Anniversary Sale so keep an eye out for the ads, and you will find really great bargains.
