

Vote
Mary Taylor
for WKU Staff Council

Good morning, fellow Hilltoppers!
My name is Mary Taylor,
and I'm running for Staff Council in the
Secretarial/Support Staff category

I have been with WKU for three years, beginning with a
part-time office associate position with DELO in the Study Away/Study Abroad Office.
I became a full-time Office Associate with the Communications Sciences and Disorders
Department in August 2014.

I graduated from WKU with a degree in English and Allied Language Arts, and I'm currently
pursuing a Master's degree in Organizational Leadership.

I'm eager to join the WKU Staff Council as a means to engage constructively in collaborative
projects and campus-wide initiatives. Another motivation for my desire to serve on Staff
Council is to have the opportunity to connect with the campus community at large. I would be
proud to represent your ideas and concerns at WKU!

Thank you for your vote on **Wednesday, May 18th 2016**
