

Vote for Muchmore!

**Actual pets, not paid spokes models*

I am a proud WKU alumnus (undergraduate 2004 and graduate 2005). After working for the state for several years, I had the good fortune to make my way back to the Hill and have worked in the Office of Sponsored Programs for the past 3 years. In my current position, I value the opportunity to work with staff in various capacities across campus.

I see Staff Council as an excellent opportunity to become more active in the larger university community

and a great venue to let the staff voice be heard. I would be honored to represent you on the Staff Council. Please consider voting for me tomorrow.
