Thank you for reviewing the Western Kentucky University, 2010 Annual Campus Crime Awareness and Campus Security Report. This report is designed to provide students, prospective students, parents, faculty, and staff with accurate crime statistics, information on university services, and crime prevention programs.

These programs are designed to help inform our campus community about safety practices that will help reduce the risk of becoming a victim of crime. These safe practices can provide individuals with vital information that they can carry with them through college and beyond, keeping them safe for the rest of their lives.

Campus safety and security is a paramount concern in today's society, and we take that concern very seriously. You will find that our campus is relatively safe and conducive to the learning process. The officers of the Western Kentucky University Police Department are committed to making Western a safe environment in which to study, live, work, and socialize. Western Kentucky University Police Officers are also committed to "Community Oriented Policing", in which officers work with the campus community to identify problems and develop new innovative ways to address those problems. The campus "Closed Circuit Television" (CCTV) System is just one example of developing innovative ways for addressing problems.

We should all remember safety is a shared responsibility between the police and the university community. Please report all crimes or suspicious activity to the police department as soon as possible.

We hope that you will find this information helpful and informative, and that your time at WKU will be safe and enjoyable. If you have any questions or concerns, please visit our website at www.wku.edu/police, or contact us at our general information number 270-754-2548, or at our TIP-LINE number 270-745-8773.

The Student Right-To-Know And Campus Security Act

In November 1990, the Student Right-to-Know and Campus Security Act were signed into law.

The law requires each institution receiving Title IV Student Aid Assistance to prepare and distribute an annual report which sets forth its policies on crime prevention issues and gives statistics on the number of specific crimes (murder, rape, robbery, aggravated assault, burglary and motor vehicle theft), which have occurred on campus and the number of arrests on campus for liquor law violations, drug abuse violations and weapons possessions.

WKU Police maintain crime statistic and prepare the annual Campus Crime Report in compliance with the “Jenny Clery Act”. The Campus Crime and Fire Safety Report are published by October 1 each year. The report can be found on the WKU Police Web page at www.wku.edu/police under the Campus Crime Report tab. The crimes are reported for each of WKU’s campuses (Main Campus, South Campus, Brown Ag Center, The Center, and Radcliff). Campuses are further divided into “on Campus” in Residence Halls, Public areas, other buildings. The WKU Police obtain and is sent statistical information from other departments within the university regarding crimes committed, but not reported to the WKU Police. The WKU Police also obtains statistical crime information from the Bowling Green Police Department regarding areas adjacent to campus, and campus organizations located off campus.

This report from Western Kentucky University covers the period from **January 1, 2009 thru December 31, 2009**. In addition to publishing crime statistics, this act requires colleges and universities to provide timely warnings to the campus community about certain crimes reported to campus security or local law enforcement which may be considered a threat to other students and employees. Western Kentucky University has also established emergency notification systems to alert campus to immediate dangers.

Western Kentucky University is committed to providing a safe, secure environment for its students, faculty, staff and visitors.

The WKU's Police Department is currently authorized 28 professionally trained full-time police officers.

The Mission of the Western Kentucky University Police Department is to provide a safe and secure atmosphere that is conducive to learning and teaching. Furthermore, the University Police Department is committed to providing a "Community Policing" philosophy in its approach to law enforcement, which is a partnership between faculty, staff, students, visitors and police officers that is predominately service and educationally oriented.

For purposes of this report, the campus is defined as "any building or property owned or controlled by the institution within the same reasonably contiguous geographic area and used by the institution in direct support of, or related to its educational purposes; or any building or property owned or controlled by student organizations recognized by the institution."

This Report Includes:

A statement of current campus policies regarding procedures for students and others to report criminal actions or other emergencies occurring on campus and policies concerning the institution's response to such reports.

Campus Security Authority:

It should be noted that for reporting purposes "campus security authorities: includes (1) any individual or entity specified in an institution's statement of campus security policy as the individual or entity to whom students and others should report criminal offenses, as well as (2) administration officials having primary responsibility for student and campus activities, such as student counselors, deans, campus residence hall directors and the police department.

Campus Police Authority:

The WKU Police Department is a professionally trained full service law enforcement agency observing the highest standards of professionalism. Officers of the WKU Police Department have full police powers including the power of arrest under KRS 164.955. The WKU Police is an accredited Law enforcement Agency by the Kentucky Association of Chiefs of Police. Western's Police Department was the third Police Department in Kentucky to become a K.A.P.C. accredited agency.

During the summer of 2009, WKU Police completed its fourth accreditation process. WKU Police was also the first accredited University Police Department in Kentucky. All law enforcement officers are trained at the Kentucky Department of Criminal Justice Training and are Kentucky Police Officers Professional Standards (POPS) Certified. The mission of the WKU Police is to support the educational objectives of Western Kentucky University by preserving the peace, protecting life and property, and enforcing in a fair and impartial manner the regulations of the university, ordinances of the City of Bowling Green and statutes of the Commonwealth of Kentucky. The goals of the department are the prevention of crime and disorder and the preservation of life, property and individual freedom. The department strives to achieve these goals through conspicuous and covert patrol, apprehension of criminals, and education of the public and constant training of Police personnel.

Relation with Other Agencies:

The WKU Police has a strong professional working relationship with the Bowling Green Police Department, Warren County Sheriff Department, the Kentucky State Police, and the Warren County Drug Task Force. WKU police also works closely with and utilizes the services of federal police agencies including the FBI and ATF. The Bowling Green Police provides crime statistics for areas adjacent to campus for Clery and Minger reporting purposes.

How to Report a Crime:

Crimes or criminal activity should be reported immediately to the WKU Police. WKU Police utilize a number of methods of reporting criminal activity. Dialing 9-1-1 from a university phone will connect you to the WKU Police Communications Office. Calls made from cell phones or off campus phones by dialing 9-1-1 will connect you to the Bowling Green Police Emergency 9-1-1 Center. The 9-1-1 Center will connect you to WKU Police Emergency Communications. Non emergency request for service can be made by calling 745-2548. A TDD line has been established for the hearing impaired by dialing 745-2540. Currently there are a total of 76 emergency call boxes located throughout the main campus and South Campus to report emergencies. By pushing the call button on the emergency call box you are connected by phone to the WKU Police Communications Office. Also a flashing blue strobe light is activated. This draws attention to the area which can deter or stop criminal acts. In addition, close circuit television cameras in the vicinity of the emergency call box will also be redirected to the call box.

This will allow police communications officers to see the area and gain valuable information about the reason for the activation. WKU Police encourage the reporting of criminal or suspected criminal activity on campus. Safety is a shared responsibility between the police department and the community it serves. Anonymous tips about criminal activity can also be made to the Investigations section by phone or by email to kerry.hatchett@wku.edu. The WKU Police also participates in the Bowling Green/Warren County Local Crime Stoppers program. Anonymous tips may also be made through that program by calling 781-CLUE (781-2583). WKU Police Department is a 24 hour a day, 7 day a week full service police department. Our mission is to provide a safe and secure atmosphere that is conducive to learning and teaching.

Timely Warnings:

WKU Police will post “**Timely Warnings**” about events that pose a threat or a continued threat to the campus community. If a crime or a situation occurs on campus, or off campus that poses a threat to the Safety of students, faculty or staff, a timely warning will be issued by WKU Police. The Chief of Police or his designee may issue a “Timely Warning”. Several methods of delivery may be utilized by WKU Police to inform the campus community of a threat. These methods may include local newspapers, television and radio stations, and posters as well as mass email notifications. Threats to people on campus are also posted on the WKU Police website under Campus Crime Alerts: (www.wku.edu/police/CampusCrimeAlert.htm). You can view a list of crimes that have been reported by going to www.wku.edu/police and click on the campus crime report button. There you will see the Campus Crime Log along with the Annual Crime Report, Cleary Act and Minger Act statistics.

Emergency Notifications and Evacuations:

WKU has created the “The WKU Alert” as a communication tool for mass notifications of imminent threats or emergency situations to campus. The WKU Alert uses a matrix system to identify the type of emergency or threat and the format of message to be sent.

Usage guidelines:

Activation of the WKU Alert should only involve incidents that may cause death, serious injury, or the threat of death or serious injury to people or significant damage to facilities or property. Threats that may prompt an emergency alert are: active shooters, or violent crimes, bomb

threats or explosion, civil disturbances, hostage incidents, fire, earthquakes, severe weather, tornados, floods, winter weather, hazardous material spills, natural gas leaks, or utility failures. Alerts will be issued as soon as possible after the threat has been verified following the adopted matrix plan. This verification can be made by various means. Examples of how a report is verified may be a weather statement from the National Weather Service, Emergency Management notifications, or on site verification by staff authorized to make a WKU Alert. An alert may not be issued if authorities deem making the notification could compromise the safety of the community, efforts to assist victims or to contain, respond to or otherwise mitigate the emergency.

Authorized Staff:

The President, Provost, Vice President of Student Affairs, Vice President for Public Affairs or designees will direct messages. In addition the WKUPD staff may authorize and send messages during time critical incidents as defined in the protocol matrix.

Types of notification of WKU Alert

Based on the type of threat or danger, notification may include any of the following or a combination of the following: a SMS text messaging to cell phones. Students, faculty and staff may register for this service on TOPNET. A voice command outdoor emergency alert system on main campus is also available. This system can give voice instructions to people who are outdoors about immediate dangers or threats. Emergency notifications can also take the form of a mass campus telephone calling system, video message boards, mass emails, the WKU web site, media press releases and news conferences.

WKU will regularly update the university web site to keep Students, Faculty, staff and the community informed on the status of the situation. Timely warnings may also be issued for a situation resulted in an emergency alerts if it is felt the situation may continue to pose a threat to the campus community.

Test of the System:

Test of the alert systems are conducted annually in conjunction with the state earthquake, and tornado preparedness drills. These tests are announced through media releases and by email to the campus community.

The tests are conducted in February and March each year. As part of the announcement faculty, staff and students are requested to review the evacuation plan for their buildings.

Missing Student Policy:

If a member of the University community has reason to believe that a student is missing he or she should contact the WKU Police immediately at 270-745-2548. The WKU Police will dispatch officers to investigate the report. If the investigation determines that the student is missing from WKU Police jurisdiction, the officer will create a missing person report.

After investigating the missing person report, should the WKU Police determine that the student is missing and (1) the student is under 21 years of age WKU Police will enter the student into the NCIC Missing Person File. (2) The WKU Police will notify the Bowling Green Police Department and other area law enforcement agencies of the missing person. (3) WKU Police will contact the student's emergency contact person. This will take place no later than 24 hours after the student is determined to be missing.

In addition to registering an emergency contact, students residing in on-campus housing have the option to identify confidentially an individual to be contacted by WKU in the event the student is determined to be missing.

Crime Prevention Programs:

Safety and Crime Prevention is a shared responsibility between the WKU Police and the campus community. The WKU Police Crime Prevention section uses handouts, programs, and personal contacts to inform students, faculty and staff on measures that can be taken to reduce the likelihood of becoming a crime victim. WKU Police also provides safety tips on our web site at www.wku.edu/police. Crime Prevention programs are presented in residence halls during the academic year and an advertised Crime Prevention Week are conducted each fall. Topics covered in the Crime Prevention program include Operation ID, date rape awareness, theft prevention, escort services, drugs and narcotics, general safety and security, and alcohol awareness. Films, guest speakers and handouts are used to illustrate procedures and to assist in the educational process. A 'representative of the WKU Police often serves as guest lecturer in many class projects throughout the year. In addition to programs presented on by the WKU Police and Residence Life:

information relating to drugs and alcohol is provided by Student Health Services. Presentations are also made to parents and students during the orientation, advisement and registration program.

Security and access to campus facilities, including campus residence, and the maintenance of campus facilities

Western Kentucky University is an open campus within the city limits of Bowling Green. As such there are numerous streets entering onto campus. A student enrolling at WKU assumes the obligation for conduct in a manner compatible with the university's function as an educational institution. Students are subject to discipline for acts or misconduct.

Registered students and student organizations may use campus facilities, provided the facilities are used for the purpose contracted and subject to the regulations of the university. Each student has the right to a campus environment characterized by safety and order. Campus classroom buildings are locked at various times of the evening depending on class occupancy.

Lighting - Campus Administrators and Student Government Association hold a "Campus Safety Walk" each fall. The purpose of this walk is to access safety issues on campus. The walk often locates dark area where additional lighting is needed to improve the safety of the area. The walk identifies areas with heavy bushes where trimming could reduce possible hazards, lights that are burned out. Western Kentucky University is a well-lit campus. This is a major factor in creating a safer, more inviting environment for students, faculty, staff and visitors.

Facilities Management - Is responsible for the maintenance and operation of campus buildings, grounds, and utilities.

Housing Report – Students with routine maintenance problems in their residence hall rooms should report the problem on the GET-IT maintenance system. Information about the on-line system is distributed at check-in and is also available at the front desk. Emergency Maintenance should be reported directly to the information desk in each residence hall. The on-call person will respond to emergency maintenance issues. The Hall Director and Resident Assistant staff members in each hall turn in maintenance for the common area including kitchens, hallways, and bathrooms. Housing and Residence Life Zone Technicians and Building Service Attendants take care of both the room and common area maintenance and housekeeping needs in the residence halls.

Residence Hall Security - Residence hall desks are staffed 24 hours a day. Residence halls are locked 24 hours per day, 7 days a week. Closed circuit cameras are used to monitor each door. ID's of residents are required and checked upon entering the resident hall.

Visitors - Must meet a resident in the lobby to further access the building and begin the visitation process. A phone is provided in the vestibule or at the front door for visitors to contact a resident of that hall.

Night Clerk - A student is employed by the Office of Residence Life to manage the desk operations and maintain order in the lobby area at night.

Key - Room keys must be used to unlock lobby doors of residence halls and mailboxes.

Room Entry - To the living quarters of a student may be conducted by the following people for the purposes listed below:

1. By law enforcement officers in the line of duty in accordance with legally defined procedures governing search and seizure.
2. By authorized custodial and maintenance personnel to make improvements, repairs and to provide routine maintenance.
3. By authorized university personnel in order to ensure that health, fire and safety standards are maintained.
4. By authorized university personnel in emergency situations to protect the health, comfort and welfare of a student or to make emergency repairs.

Unauthorized Guests - Non-students who are visiting in a residence hall need to be authorized by the hall director of that particular hall. For any WKU student to be considered an authorized guest they must adhere to all visitation procedures of the hall in which they are visiting including visitation hours, check-in/out procedures and proper escort. Students may visit residents of the same sex at any time. Residents are responsible for the actions of their guests whether they are authorized or unauthorized. Unruly guests or violators of this policy will be subject to disciplinary action.

Underage Guest - The following policies exist concerning underage guests in the resident hall:

- Guests of the same sex under the age 18 may be checked into the residence halls for the purpose of short term visitation.
- These guests should be supervised closely at all times by the resident. The resident's ID shall be used to check in an underage guest of the same sex.

- No guests of the opposite sex under the age of 18 will be checked in unless they are a WKU student with a valid ID. Guests who are violators of this policy will be asked to leave immediately; residents will be subject to disciplinary action.

Escort Service - The Escort Service is an on-campus service provided by the WKU Police Explorers for the protection of students, faculty, staff and visitors of the Western Kentucky University Campus. Escorts will be provided from dusk until dawn by calling WKU Police Department at 745-2548 or 745-3333.

Emergency Phones - The University has 76 emergency phones located strategically around the University. Push the red button and the phone dials the police department automatically, provides the location of the caller. In addition to calling the police department a blue flashing strobe light is activated on top of the call box. This draws attention to the area and provides another safety feature for the caller. If you are on campus and need emergency assistance, just go to an emergency phone and you are connected directly to the WKU Police Department. If you are not near an Emergency Phone use a campus phone and dial 911 or call 745-2548 and you will be immediately connected to the WKU Police.

The Rape Aggression Defense Systems (R.A.D.) - Is a program of realistic self-defense tactics and techniques for women. The R.A.D. System is a comprehensive, women-only course that begins with awareness prevention, risk reduction and risk avoidance, while progressing on to the basics of hands-on defense training. R.A.D. is not a Martial Arts program. Our courses are taught by nationally certified R.A.D. Instructors and provide each student with a workbook/reference manual. This manual outlines the entire Physical Defense Program for reference and continuous personal growth, and is the key to our free lifetime return and practice policy for R.A.D. graduates. This R.A.D. policy allows graduates the chance to take the class free of charge at any R.A.D. training location.

The department of EHS is responsible for the annual and semi-annual and monthly inspections of all of the fire protection equipment (fire alarms, range hood suppression systems, and fire extinguishers.) We conduct quarterly fire drills in residential halls. Sprinkler system inspections are done by a state provided contractor. All inspection reports are maintained in the fire marshal's office.
