

Dr. Cherry made a brief report as to the work going on on Normal Heights. He stated that a large force of workmen, under the supervision of Mr. L. T. Smith, was at work on Potter College Building. That work was progressing rapidly and that the building would be ready for occupancy at the opening of the Fall term of school. He estimated the cost of repairs at approximately \$31,000. He stated that the Domestic Science Building would be ready for occupancy in about eight weeks and that the cost would be approximately \$15,000.00. That the improvements and additions on Thomas Building, which when completed will be occupied by the Music Department, were progressing and the building would be completed in about six weeks at an approximate cost of \$5,000.00. That the Athletic field had been filled and graded and work on the Stadium would begin soon. That the conduits for the Heating Pipes had been practically completed.

Mr. Stited moved adjournment, Mrs. James seconded motion and same carried.

The Board then adjourned.

#### Minutes of the Board Meeting

October 14, 1926.

The Board of Regents met in the office of President Cherry on October 14, 1926. All members of the Board were present including Superintendent Rhoads, Mrs. James, Mr. Cuthbertson, Col. Stites and General Denhardt. President Cherry was also in attendance.

The reading of the minutes for the previous meeting was dispensed with until a later time.

President Cherry made a statement before the Board of matters of equipment that would be needed in the new Home Economics building. He was authorized in conjunction with Miss Bay and others whom she might name, to prepare a list to be submitted for bids subject to the action of the Board of Regents. It was understood that the Manual Training Department should make such of the equipment as they may be able to make to advantage. This was moved by Regent Cuthbertson, seconded by Mrs. James, passed unanimously.

Upon motion of General Denhardt with a second from Col. Stites it was agreed that a similar estimate for equipment for the Music Hall should be prepared and submitted so that the bids received may be submitted to the Board of Regents at the same time that the bids for the Home Economics Department are submitted. This was passed unanimously.

Mr. Denhardt moved that the bids for the tablet arm chairs needed for large class rooms in Potter College building should be secured and presented to the Board at the same time the bids previously mentioned are submitted. Seconded by Mrs. James and passed without opposition.

It is understood that samples shall be submitted in each of these cases.

Regent Denhardt moved that President Cherry be authorized to employ Mr. Henry Wright, the Landscape Artist, to complete the work of landscaping on College Heights. Col. Stites gave the motion a second and it was unanimously passed.

Upon motion of General Denhardt with a second from Col. Stites, President Cherry was authorized to secure an estimate on the cost of enstalling a central telephone system for the entire institution. The motion was passed without opposition.

Mrs. James moved that as soon as the present contract with the laundry expires that new bids shall be secured from the various laundries of the city with a purpose of making the best arrangements possible. The motion was seconded by Mr. Cuthbertson and passed, all members voting in the affirmative.

Col. Stites moved that additional insurance be placed on Potter College building making the total amount on that building \$100,000. Regent Cuthbertson seconded the motion and it was passed without opposition.

Motion was made by Mrs. James that a committee composed of General Denhardt and Mr. Cuthbertson be authorized to sell the Frisbie Hall and Bailey Hall property at or as much as possible in excess of \$14,325, the price offered at auction, as they may be able and that they be authorized and empowered to sign, make and acknowledge deeds to the purchaser or purchasers for and on behalf of the Western Kentucky State Normal School and Teachers College. The motion was given a second by Col. Stites, each member voting in the affirmative.

Upon request of Mrs. James information concerning the deposits in the two Bowling Green Banks was given. It was explained that the policy of the Board heretofore has been to distribute the funds equally and the Board reaffirmed their desire that there should be an equal distribution between the two banks. The motion was made by Mrs. James and given a second by Gen. Denhardt and passed unanimously.

Upon motion of Mr. Cuthbertson with a second from Col. Stites it was agreed that the organization in the city known as the Daughters of the American Revolution be given

the privilege of securing a marker from the Fort on College Heights as may be decided upon with the consent of Mr. Henry Wright, the Architect. The motion was passed unanimously.

Upon motion duly seconded the meeting then adjourned.
