Biographical/Historical Note: *The Elevator*, the first student newspaper, appeared in November 1909 as a monthly and ran through 1916. It is available to researchers in the Harrison-Baird Reading Room on the open reference shelves.

The *College Heights Herald* was created in 1924 and published every other Thursday under the leadership of Frances Richards. It was meant to be self-sustaining through subscriptions and sales of ads. By 1926 when students were not the cost of the paper was added to the students' incidental fee. In later years, the paper changed to a biweekly format during the school year and a monthly in the summer. It is now available online at: <http://www.wkuherald.com> with back issues in an online archives and search capabilities.
