Biographical/Historical Note: Dr. Dorris J. Hutchinson, a 1940 honor graduate, has had a distinguished career as a scientist and medical researcher at Memorial Sloan-Kettering Cancer Center in New York and as a professor at Cornell University.

A native of Carrsville in Livingston County, Hutchinson served as a lab assistant for Dr. L.Y. Lancaster while completing her undergraduate degree at Western. She received her master’s degree at the University of Kentucky in 1943 and her doctorate at Rutgers University in 1949.

She also held positions at Russell Sage College in Troy, NY, Vassar College in Poughkeepsie, NY and Wellesley College in Wellesley, MA.

A microbiologist and educator, Hutchison began her career at the Sloan-Kettering Institute for Cancer Research in 1951 and held several faculty positions at the Sloan-Kettering Division, Graduate School of Medical Sciences at Cornell, including associate dean from 1978-87. She was granted emeritus status in 1990.

Hutchison wrote more than 130 publications dealing with chemotherapy, treatment of tuberculosis and leukemia and other cancer-related topics. She was a member of numerous medical associations. Dr. Hutchison was inducted into the WKU Hall of Distinguished Alumni in 2003. She died May 9, 2007.

Description: Correspondence and publications created by and about the Dorris Hutchinson during her time at Sloan-Kettering Institute.

Dates: 1943-1989

Subject Analytics:

- Biology
- Cancer
- Chemistry
- Correspondence
- Medicine
- Memorial Sloan-Kettering Cancer Center

Accession Information: These records were transferred to the WKU Archives upon its creation.

Access Restrictions: none
Preferred Citation: UA94/6/2/12 Dorriss Hutchinson Personal Papers, WKU Archives, Bowling Green, Kentucky, USA.

Processing Information: Records processed and collection inventory by Suellyn Lathrop, 2015.
