Listen Up Legislators!

Get motivated and excited about Monday and Tuesday of next week! Come out and help the SGA spread the word on the hill and get students to call their legislators! You could even call your own friends and get them involved. This is a very big project and I know everyone would love to see it be successful! Remember this effects all of us. The more people we get to call, the bigger the chance we have on effecting our legislators' decisions!!
