Paper titled "The Usage and Importance of the Rule of Thirds in Newspaper Photography" written by Shawn Poynter for a folk studies class at Western Kentucky University. The collection looks at the usage of the "rule of thirds" as it appears in the *Park City Daily News*. The "rule of thirds" refers to a photograph guideline that requires subjects to be in either one of the sides, top or bottom third of the frame. The collection contains analysis, graphs, tables and newspaper clippings.
