A copy of the Senate Constitution will be forwarded to you once the Board has ruled on current revisions.

Senate officers serve a vital role as your representative to the administration. Officers meet monthly with the President and make a contribution to the direction and vitality of the Senate as a reflection of the faculty. If you have a nominee from the attached list of Senators please contact either the individual to ascertain their interest or call Sally Kuhlenschmidt (4417) who will check with the nominee for you. If you might be personally interested in a position, please call Sally to learn what is involved.

As there are many new Senators this year, members may not be familiar with the positions of nominees. If you would like to serve as a Senate officer you may wish to prepare some brief thoughts (about 1 minute) on what you see as important issues for the Senate. If you have any questions please contact Sally or one of the following returning Executive Committee members (Larry Scott 6095, Charles Henrickson 6238, Richard Hackney 6199, Joan Krenzin 2159). If you wish to have an impact, serve.
