Bill 93-1-S  
STUDENT PHONE IN PRESTON CENTER  
Introduced: January 26, 1993

PURPOSE: That the Student Government Association purchase and install a telephone in the Preston Health and Activities Center for local use by students of the university. Furthermore, the Student Government Association will maintain this telephone for the remainder of the fiscal year 1992-93. On July 1 of fiscal year 1993-94 the Preston Center will assume all further responsibility for maintenance and upkeep of the telephone.

WHEREAS: There is only a pay telephone available for student use in the Preston Center; and

WHEREAS: This phone would call both on and off campus; and

WHEREAS: This lack is not only an inconvenience but a safety hazard as well; and

WHEREAS: Students wishing to be escorted from the Preston Center either by the Student Escort Service or by a friend have no means by which to call; and

WHEREAS: The cost associated with the purchase of a telephone is estimated at thirty dollars (\$30.00); and

WHEREAS: Student Government Association will cover the monthly costs until July 1 at a monthly cost estimated at \$15.00 a month; and

WHEREAS: The Campus Improvements budget of the Student Government Association contains room for such an expenditure; and

WHEREAS: This is an improvement that will benefit many members of the student body; and

WHEREAS: The Preston Center has agreed to assume responsibility, maintenance, and upkeep of such a telephone effective July 1, 1993 and continuing throughout the usable life of the appliance.

THEREFORE: Be it resolved that we, the members of the Student Government Association, in an effort to improve student life and campus safety will purchase, install and maintain a standard campus telephone for local calls until July 1, 1993 at which time it shall become the sole responsibility of the administration and budget of the Raymond B. Preston health and Activities Center.
