***COLLECTION NOTE***

The 2004 Goat Ropin' Festival was held on 29 August 2004 on the farm of folk musician Eddie Pennington. Despite the name of the festival, there are actually no goats involved. On the contrary, the festival is a gathering of local and traveling folk musicians who come together to celebrate the joy of music and play tunes. What started out as a few friends gathering at Pennington's home has turned into a tradition attracting more than one hundred musicians and spectators each year.
