Executive Council Minutes August 31, 1998

Attendance: Stephanie Cosby, Chad Lewis, Carleton Ruminer, Brad Sweatt, Matt Bastin

Executive Council Minutes from the weekly meeting of the executive council.

Agenda:

Stephanie asked for everyone to dress up and look nice for the first congress meeting and everyone agreed.

Stephanie also proposed a piece of legislation to ask for a crosswalk to be placed on Normal Street from Diddle Park to the Environmental Sciences and Technology building. After some discussion the legislation was adopted by executive council for first reading at tomorrow's congress meeting.

Stephanie discussed the football game on Thursday in relationship to SGA's role. Chad said he would go and talk to Nathan Farmer tomorrow in more detail about when to start roasting the pig and what equipment we would need. Stephanie will speak to Pepsi Co. about getting more pepsi products for the tailgating.

Discussed in length Tuesday's congress meeting. Stephanie will swear in Chief Justice Ryan Morrison, who will in turn swear in appointed positions and all the congressional spots. Matt announced that eight-five of the one hundred and three positions will be taken if everyone shows up. Matt also reminded everyone that they needed to turn in their committee reports to him after the meeting. Matt will pass out the constitution and by-laws, and Carleton will pass out a copy of the proposed budget as required by the constitution.

Chad received a letter in the mail about a conference in Washington D.C. He said the cost was about \$350 dollars and he had more information if anyone was interested. Stephanie also announced that the governor's conference will be Sept. 27th and 28th, she will provide more information to us in the future.

Discussed the fall retreat on Sept. 11th and 12th at Eagle Ridge. Matt will pass around a sign up sheet at the congress meeting for people to sign up if they are interested in going. Chad will give more detailed information about the retreat during his report.

The last item on the agenda was discussion of the budget. Carleton said that we were given roughly \$350 more dollars this year over last. After some discussion it was decided that the extra money be placed in supplies where there was a shortage last year.

Meeting was adjourned at 5:50pm.
