WELCOME TO THE CAMPUS

W. F. O'Donnell, President

We at Eastern look forward to every occasion that brings friends to our campus. We are especially happy to say "Thank You" to that host of loyal supporters who by their attendance at the games make possible Eastern's well-balanced program of inter-collegiate athletics.

We are proud of the Maroons and of those who train them and of the student body they represent. We hope you, too, will share that pride with us as you come to know and watch their thrilling teamwork, their hard, clean play. For you, no less than for our students and alumni, our teams have always been able to win a fair share of victories in the toughest kind of competition.

Eastern belongs to you and to all Kentuckians. The college has a notable record of high service to the Commonwealth over a period of forty-nine years. More than 2200 young people are now enrolled for college classes on the campus, while other hundreds are being taught in extension centers. Four hundred and fourteen degrees were conferred last summer. Many thousands of Eastern's graduates and former students occupy positions of leadership throughout our state and nation.

The college seeks, and expects to merit and to have, your enthusiastic support as it builds for a greater future in its classrooms and laboratories and provides a wholesome environment for an ever-growing student body.
