Resolution 90-02-F  
Extend Drop/Add Period  
Introduced 9-25-90

PURPOSE: For the University to extend the deadline for dropping a course without a " W "

STATUS:

WHEREAS, The current policy only gives students one week from the beginning of the semester in which to drop a course without a " W ", and

WHEREAS, Such a policy requires a student to decide on whether or not to drop a class after only one meeting in the case of a night class or two class meetings in the case of a Tuesday-Thursday class, and

WHEREAS, The first class meeting is usually limited to roll call and a discussion of the syllabus, and

WHEREAS, In such a short period it is difficult to judge the effectiveness of the instructor and how the course will meet a students educational needs, and

WHEREAS, The inclusion of " W's " on students could cause unfair judgements to be made about a student's academic record, and

THEREFORE: Be it resolved that we the members of the Associated Student Government ask that the current deadline be extended by one week, allowing students to have a more reasonable time to judge a course without the inclusion of a " W " on their record should they choose to drop the class
