RESOLUTION 92-02-F

MAKING REGISTRATION COURSE OFFERINGS CONSISTENT WITH THE UNIVERSITY CATALOG

INTRODUCED: September 15, 1992

PURPOSE: For Western Kentucky University to offer in its Registration Bulletin once every two years, unless the University Catalog specifies otherwise, any and every class listed in its University Catalog.

WHEREAS: Due to the fact that many classes and program offerings in the University Catalog are listed as "on demand," and

WHEREAS: A great number of these classes never appear in the Registration Bulletin and no other means exist for gauging student demands and preferences, and

WHEREAS: Any individual attempt by a student to make an inquiry will be limited and uncoordinated with other possible interested parties, and

WHEREAS: The University would not want to foster any accusations of fraud or misrepresentation of its curricula.

THEREFORE: Be it resolved that we, the members of the Student Government Association, in the interest of Western Kentucky University's present and future students, do hereby recommend that, unless the University Catalog specifies otherwise, any and all classes which are listed in the University Catalog be offered in the Registration Bulletin at least every two years.
