**COLLECTION NOTE**

This collection consists of interviews conducted by students in Barry Kaufkins' Introduction to Folk Studies course at Western Kentucky University. The students interviewed family, friends, and loved ones during Thanksgiving break on various topics. There interviews were chiefly, but not exclusively, oral histories about the person's life and times and rarely did an interview last over thirty minutes. This project includes 43 interviews. Those interviews that were taped and submitted are stored in WKU Sound Archives. Some students submitted only paper summaries of their interviews and chose not to provide a digital copy of the actual interview.
