MEMORANDUM OF INFORMATION

TO: Mr. Amos Gott
ASG President

FROM: Mr. Howard E. Bailey *HEB*
Dean of Student Life

It is my understanding that the Director of Food Services has made the decision to extend the opening hours of Unicorn Pizza on the weekends for a one month trial period. I feel that was a positive step on the part of ASG and Food Services. Hopefully the results will be positive and justify long-term extending of the hours.

In response to the resolution by ASG recommending that the press box at Smith Stadium have Western Kentucky University painted on it, I can only say that if this is done in a high quality and professional manner where it is eye-catching and attractive, I feel that it could be another plus to promote our athletic program and the institution as a whole.

I appreciate your providing me with a copy of the Associated Student Government Resolution 89-1-F regarding the matter of painting Western Kentucky University on the press box of Smith Stadium. Please know of my most sincere thanks for the continuing interest in and support of all efforts to increase the enthusiasm surrounding University athletics events.

I have had the opportunity to briefly discuss the resolutions proposal with President Meredith. He has agreed to view the Stadium with me so that some determination can be made as to how best to accomplish the objective of the resolution. President Meredith and I do support utilizing Smith Stadium in some manner by which the University might be promoted.

MEMORANDUM

TO: Mr. Amos Gott, President
Associated Student Government

FROM: Thomas C. Meredith, President 

SUBJECT: Smith Stadium

Amos, I have considered your proposal to paint "Western Kentucky University" on the press box at Smith Stadium. Although I believe the idea has merit, I'm not comfortable at this time with how that will look. I am, however, by copy of this memo, asking Rick Coltharp to look at the possibility of painting a big "W" across the seats in the Hilltopper Athletic Foundation section in the upper deck.

Thank you for the idea.
