MEMORANDUM TO: Mr. Amos Gott
ASG President

FROM: Mr. Howard E. Bailey *HEB*
Dean of Student Life

SUBJECT: DUC Flag Poles &
Selling of Mace in the Bookstore

The following statements reflect my opinion on the above subjects.

While I find flags and flag poles very patriotic, I must be realistic by indicating that I have concerns regarding the purchase price, maintenance, and daily attendance of the flag. If these issues have been resolved, I find no reason not to install the flag poles.

It is my understanding that the bookstore once sold mace. If they are to return to this practice, the product should have clear, explicit directions on the usage and damages of this chemical. I understand the value and, therefore, have no major objections.

MEMORANDUM TO: Mr. Amos Gott, President
Associated Student Government

FROM: Lee Murray *LM*
Director of University Centers

SUBJECT: Installation of Flag Poles on the
East Side of Downing University Center

DATE: January 22, 1990

This is in response to your memorandum on January 16, 1990, concerning the installation of flag poles on the east side of Downing University Center. I think this would be a good project for Associated Student Government, but I do have three questions:

1. Who would provide the monies for the purchase and installation of the flag poles?
2. Who would provide the monies for the purchase of the flags?
3. Who would be responsible to raise and lower the flags everyday?

If I can be of any help, please contact me at 5793.
