RESOLUTION 94-2-S
ATTENDANCE POLICY
INTRODUCED: MARCH 1, 1994

PURPOSE: To recommend the adoption of a University wide policy which does not discriminate on the basis of absenteeism when concerning academic performance.

WHEREAS: Currently the university does not regulate attendance policies after the first two class meetings, and

WHEREAS: The attendance policies set up after this time are set up by the instructor, and

WHEREAS: Often times a student is penalized for poor class attendance, and

WHEREAS: A student's grade should be reflective upon his/her academic performance, not class attendance.

THEREFORE: Be it resolved that we, the members of the Student Government Association, do hereby recommend that a committee composed of five faculty members and five student members be appointed to make recommendations to Student Government on a uniform absenteeism policy for the university.
