Introduced: 02/08/83

Whereas, Full time students pay \$15.00 per semester via student activities fee to help support the athletic program, and

Whereas, full time student must pay an additional \$1.50 - 2.50 in order to attend each football or basketball game, and

Whereas, economic pressures cause an undue burden to a large majority of the students who wish to attend the before mentioned games, and

Where, the administration does not consider the revenues generated from student ticket sales a major source of income, and

Whereas, the number of students attending these games have decreased substantially since the implementation of the present policy despite a drop in ticket prices,

Therefore, be it resolved, that the Associated Student Government, being the voice of the student body, requests that the Board of Regents remove its present policy of charging full-time students admission to the football and basketball games.
