MEMORANDUM TO: President Kelly Thompson ✓
Mr. William H. Straeffer
President
Associated Students
Western Kentucky University
Bowling Green, Kentucky 42101

I am writing in an attempt to solicit your help on the following proposal. It has come to my attention that it would be to the advantage of both the administration and the student body if certain University Committees were to seat a member of the student body. Of course, I do not know the feasibility involved in this proposal.

Dear Bill:

For the past two months I have been working on a plan to involve more students in more committee work within the institution, and part of the plan was to have a conference with you after the first of the year.

Student Financial Aid Committee University Traffic Committee
Registrar's Office I shall look forward to that discussion. Concerts Committee
Academic Advisory Committee 7 Library Committee
Faculty Disciplinary Committee 4 Faculty-Athletic Committee

Sincerely yours,

I feel that all three factions of the University will benefit from the student's contributions to their particular committee if it is in the realm.

Thank you for your interest.

Kelly Thompson
President

Sincerely,

William H. Straeffer

I am writing in an attempt to solicit your help on the following proposal. It has come to my attention that it would be to the advantage of both the administration and the student body if certain University Committees were to seat a member of the student body. Of course, I do not know the feasibility involved in accomplishing such a proposal and it is for this reason that I am asking for your help. The following University Committees are being asked for your consideration of an undergraduate student serving on these committees:
