HENRY M. BOSWORTH

CANDIDATE FOR GOVERNOR

7

CAMPAIGN HEADQUARTERS
LEXINGTON, KY.

March 26th, 1915.

Mr. H. H. Cerry
Settle, Ky.,

Dear Friend:-

Genuinely appreciating your kindness in mailing to me the list of the active democratic workers in your community and sincerely hoping that you can continue giving me your active support from now until the August primary, I am writing to express my gratitude and to earnestly solicit your most active assistance in my campaign.

Being fully aware of the vital necessities of Kentucky's citizenship, I have endeavored in all of my public deeds at all times, to render to the state my very best services and I hope you can conscientiously approve my record as a state official and with this in view you can give me your active support in my ambition to be Chief Executive of my native state. In making this race I do so with the knowledge of the many perplexing problems confronting Kentucky, and I feel that my intimate knowledge of the state's affairs qualifies me to serve as Governor, and to place the state on a strong financial basis and make Kentucky take the lead in good roads and rank foremost among the states from an agricultural, educational and moral standpoint.

Reports coming to my headquarters from every county in the state the past few days have been exceedingly flattering and I feel very sanguine of success in the primary election. I believe if you will analyze the present conditions you will agree that I am the most available man for the democrats to nominate as I have never become aligned with any faction, and am a candidate all Democrats can unite upon, and can surely carry the party to victory in November and defend and stand upon the democratic platform that is to be made before the November election, and I assure you I shall stand upon that platform and shall put forth every effort to have its promises carried out.

Assuring you of my gratitude for anything you may do to further my candidacy and hoping to receive your most active support, and trusting I may be able to repay you for your interest in my behalf, I beg to remain,

Your Friend,
