**Bill 99-6-S**  
**Hall Representative Notices**  
**February 4, 1999**

**PURPOSE:** For the Student Government Association to require Hall Representatives to distribute notices to residents in their residence halls informing students of their SGA Hall Representative(s) at the beginning of each semester.

**WHEREAS:** Students in residence halls are often unaware that they have one or more Student Government Representatives representing their hall, and

**WHEREAS:** Placing notices in residence halls would show students that SGA is representing all students, and

**WHEREAS:** Students could contact their hall representatives with questions, concerns, or ideas, and

**WHEREAS:** Distributing notices would give hall representatives the opportunity to better connect their residence hall with Student Government.

**THEREFORE:** Be it resolved that we, the members of the Student Government Association, require Hall Representatives to distribute notices to inform residents of their SGA representation.
