**INTRODUCED: MARCH 29, 1994**

**Purpose:** To institute the Points of Light Program for the Student Government Association and Western Kentucky University.

**Whereas:** It is our belief that student government should aid in developing and encouraging civic awareness among the students of this university, and

**Whereas:** This program would serve as a means to publicly honor those students who give of their time and selves to help our society, and

**Whereas:** Any campus organization or individual may nominate a person to receive this distinction, and the executive officers of Student Government shall award this distinction at interval times during the academic year, and

**Whereas:** Recognition of the individual receiving the distinction shall be placed in The Herald and a certificate shall be awarded, and

**Whereas:** All recipients of this distinction shall be honored at the Student Government Association's annual banquet, and

**Whereas:** There shall be an annual award to be named The Polaris for the most outstanding Points of Light recipient, and

**Whereas:** The recipient of The Polaris shall receive a plaque commemorating the distinction, and the Student Government Association shall donate \$100 to his or her favorite charity.
