Academic Heraldry

History of Academic Attire

A time-honored tradition of great dignity, the wearing of academic attire is a survival of the ecclesiastical garb of the late Middle Ages. The academic gown, necessary for a scholar's warmth in unheated stone colleges, and the hood to protect his shaven head, were first adopted in the thirteenth century at the University of Cambridge.

Academic costume came to America in 1754 with the founding of King's College, now Columbia University. Styles became quite varied, as they were in Europe, but in 1895 a group of American college and university representatives met to establish a uniform system of academic apparel for this country. This led to the establishment in 1902 of an "Intercollegiate Code of Academic Costume." The American Council on Education formed a committee in 1932 to review the 1895 code, and it was again reviewed and revised in 1959.

Gown, Cap and Hood

All candidates for degrees and those who hold degrees, including university officials, faculty and visiting dignitaries, are attired in traditional cap and gown. Recipients of the associate degree at Western Kentucky University wear gray gowns and caps, recipients of the bachelor's degree wear black gowns and caps, and recipients of master's, specialist and doctoral degrees wear black gowns and caps with hoods of various colors.

Bachelor's gowns have pointed sleeves; masters' have long closed sleeves with slits at the elbow for the arms; the doctors' have wide, round open sleeves. Doctoral gowns are faced with panels of velvet down the front and three bars of velvet across each sleeve.

The mortar board is the headpiece most often worn at American universities for formal occasions. It is appropriately worn with the board flat on the top of the head. Degree candidates wear the tassel falling from the right quarter of the board, while graduates wear the tassel on the left. The tassel may be black or the color of the scholarly field of the degree held, with the short gold tassel reserved for those holding doctoral degrees.

It is the hood which adds meaning and dimension to the academic costume. Changed little since medieval times, the hood is worn falling from the shoulders down the back of the gown in a display of vivid color. The hood is edged in velvet which by its color denotes the academic discipline in which the wearer's degree was earned, and it is lined in two colors of silk which represent the college or university from which the degree was earned. Hence, the Western Kentucky University hood contains one white chevron on a field of bright red and is edged with the appropriate discipline color.

The following is a partial list of colors that represent the various academic disciplines:

Agriculture	Maize	Library Science	Lemon
Arts, Letters and Humanities	White	Music	Pink
Commerce, Accounting and Business	Drab	Nursing	Apricot
Communications	Silver Gray	Philosophy	Dark Blue
Economics	Copper	Physical Education	Sage Green
Education	Light Blue	Public Administration	Peacock Blue
Engineering	Orange	Public Health	Salmon Pink
Fine Arts	Brown	Science	Golden Yellow
Journalism	Crimson	Sociology	Citron

The Mace

Originally used as a weapon during the Middle Ages, a mace was carried to protect a ruler. Eventually this scepter-like instrument became an emblem of authority and became popular for ceremonial purposes. Maces are now carried at the beginning of academic processions at many universities throughout the world, representing each institution's authority to confer degrees.

Western Kentucky University's Mace contains several elements that are symbolic of Western's history. Hand-carved from Kentucky cherry, the top portion of the Mace is a representation of the lantern on the dome of Cherry Hall and is a tribute to Western's founder, Dr. Henry Hardin Cherry. The University Seal contains the University's motto, and carved bands around the shaft include significant dates in the evolution of the institution. Gems embedded in the lower portion of the Mace represent the colors of the academic disciplines offered by the University. The round ball at the base is symbolic of Western's alumni around the globe.

The Mace, carried by the University's most senior faculty member, was dedicated to the University on May 7, 1998 during the Inaugural Week activities for President Gary A. Ransdell. It was designed by John Warren Oakes of the Department of Art and crafted by Terry Leeper and Frank Pittman of the Department of Industrial Technology.

The Seal

The University Seal features our treasured motto "The Spirit Makes the Master" and Western's ideal defined by Dr. Henry Hardin Cherry as "Life, More Life." First adopted by Dr. Cherry in 1911, the Seal has evolved as the institution grew to university status. Western's President Emeritus, Dr. Kelly Thompson, gave leadership to designing the present version of the Seal, which was approved by President Paul Garrett and first used in 1948. It was altered in 1966 to include the appropriate wording when Western attained university status.

The University Medallion

Medallions, as worn in higher education, represent the evolution of a practice arising in the Middle Ages and the very early beginnings of universities in the Western World. The Medallion identifies the wearer as the designated leader of the university. Representing both the authority and the responsibility of the person who wears it, the Medallion is worn by the president of the university at formal academic occasions. The face of the sterling silver medallion is a replica of the seal of the university.

Academic Banners

Designed for initial use during the May 8, 1998 inauguration of President Gary A. Ransdell with future use at each commencement ceremony, the academic banners reflect a color symbolic of each academic division of the University. The university seal is prominently displayed on each banner. The banners were designed by Jeff Jensen of Western Kentucky University's Department of Art.

History of Western

In 1906 the Kentucky General Assembly enacted legislation creating a new state institution named Western Kentucky State Normal School. After Governor J.C.W. Beckham signed the bill into law, the Locating Commission chose Bowling Green as the site of the new school. The Southern Normal School of Bowling Green, which had been founded in 1875 as the Glasgow Normal Institute, was transferred to the state. Western's educational heritage grew when the campus of Potter College for Young Ladies, which was founded in 1889, became part of the State Normal School in 1909. From 1907 until 1911, however, the new school used the building and grounds of the Southern Normal School. In 1911, it was moved to College Heights, its present location.

In 1922, Western became known as the Western Kentucky State Normal School and Teachers College. The first degrees were awarded by the institution in 1924. In 1927, Western's Board of Regents again increased educational opportunities by merging with Ogden College, which had been founded by Robert W. Ogden in 1877. The Ogden name was continued at that time in Western's Department of Science, and is now memorialized in the Ogden College of Science and Engineering.

In 1930, the Kentucky General Assembly removed the words "Normal School" from the title, making it Western Kentucky State Teachers College. In 1948, the Kentucky General Assembly removed the word "Teachers" from the name, thus making it the Western Kentucky State College. Then in 1963, Western absorbed the Bowling Green College of Commerce, formerly known as the Bowling Green Business University. On June 16, 1966, Western achieved university status and thus became Western Kentucky University. Today, the university proudly serves the educational needs of 18,391 students from Kentucky, 43 other states and 60 foreign countries.

Honorary Degree

Helen Thomas

Helen Thomas, a Hearst newspaper columnist who served for 57 years as a correspondent for United Press International and White House bureau chief, was born in Winchester, Kentucky. She was raised in Detroit, Michigan where she attended public schools and later graduated from Wayne State University.

Upon leaving college, Thomas moved to Washington, D.C. and in 1943 began working for United Press International (UPI), a news wire service providing articles to newspapers around the country. Transferred to the national desk in 1956, she covered the Justice Department and Department of Health, Education and Welfare.

Thomas broke into political reporting in November, 1960 when she began filing stories about President-elect John F. Kennedy, following him to the White House in January, 1961 as a member of the UPI team. At the end of her first presidential press conference in 1961, she said, "Thank you, Mr. President," establishing a tradition that continues today.

In 1972, Thomas was the only female print journalist to travel with President Nixon on his historic trip to China, and she became the first female White House bureau chief of a wire service in 1974. As her career advanced, she came to be considered the "dean of the Washington press corps," and she was allowed to ask the first question at Presidential press conferences. She traveled with presidents Ford, Carter, Reagan and Bush and covered every presidential economic summit. Thomas was the first female officer of the National Press Club, the White House Correspondence Association, and the first female member of the Gridiron Club. *The World Almanac* has cited her as one of the 25 Most Influential Women in America.

Thomas has authored three books, including her latest, *Thanks for the Memories Mr. President: Wit and Wisdom from the Front Row at the White House*. Following her retirement from the White House Press Corps, she was appointed in fall, 2000 as a Shapiro Fellow in the School of Media and Public Affairs at George Washington University.

Thomas is being honored in recognition of her outstanding lifetime achievements. The citation for the Honorary Doctorate of Humane Letters reads:

*Renowned journalist,
Pioneer for women in journalism,
Dedicated public servant, and
Native daughter of the Commonwealth*

Recognition of Academic Achievement

Undergraduate students who maintain outstanding scholastic achievement are recognized at commencement according to the following designations and are indicated in this commencement program with the respective symbols. Determination of the honor status was based upon the academic record in existence at the beginning of the 2003 fall semester. The final determination of those who actually receive this recognition is made at the conclusion of the term in which degree requirements are met.

Degree candidates who are potential honors recipients wear red and white honor cords during the commencement ceremony. Further recognition of those who actually receive this recognition is made at the conclusion of the term in which all degree requirements are met.

With Distinction - The honor given to students who have completed their associate degrees with cumulative overall and cumulative Western grade point averages of 3.40 - 3.69 and a minimum of 32 semester hours earned in residence (+).

With High Distinction - The honor given to students who have completed their associate degrees with cumulative overall and cumulative Western grade point averages of 3.70 - 4.00 and a minimum of 32 semester hours earned in residence (++)

Cum Laude - The honor given to students who have completed their baccalaureate studies with cumulative overall and cumulative Western grade point averages of 3.40 - 3.59 and a minimum of 64 semester hours earned in residence (*).

Magna Cum Laude - The honor given to students who have completed their baccalaureate studies with cumulative overall and cumulative Western grade point averages of 3.60 - 3.79 and a minimum of 64 semester hours earned in residence (**).

Summa Cum Laude - The honor given to students who have completed their baccalaureate studies with cumulative overall and cumulative Western grade point averages of 3.80 - 4.00 and a minimum of 64 semester hours earned in residence (***)

Students who have completed the University Honors Program are designated by the (◆) symbol. They have completed at least 24 hours of honors credit, have written a senior honors thesis, and are graduating with at least a 3.4 overall grade point average.

In addition to the above honors, the baccalaureate student in each undergraduate college with the highest cumulative overall grade point average and a minimum of 64 semester hours earned in residence is designated "Scholar of the College." The Ogden Trustees' Award is presented to the graduating senior with the highest cumulative overall grade point average with the entire baccalaureate program earned at Western.

Candidates for Degrees

The following list of candidates for graduation was prepared before final grades were reported and inclusion herein does not constitute evidence of graduation. The listing of a name in this program should not be construed as an indication that the person will in fact receive a degree from Western Kentucky University at this commencement. Conversely, the absence of a student's name from this list does not necessarily mean that the person will not be awarded a degree. The students whose names appear below made formal application for graduation by the date specified in the Academic Calendar.

Spirit Masters of Western Kentucky University

My Old Kentucky Home

Stephen C. Foster, 1853
arr. John Martin, 2002

Voice

The sun shines bright in the old Ken-tuck-y home. 'Tis sum-mer the peo-ple are
gay, the corn-top's ripe and the mead-ow's in the bloom, while the birds make mu-sic all the
day. The young folks roll on the lit-tle cab-in floor, all mer-ry, and hap-py and
bright. By'n by hard times come a - knock-ing at the door, then my old Ken-tuck-y home, good-
night! Weep no more my la-dy, O weep no more to - day! We will sing one song for the
old Ken-tuck - y home, For the old Ken - tuck - y home, far a - way.

College Heights

Mary F. Bradley, 1930
arr. John Martin, 2002

Voice

Col - lege Heights on hill - top fair with beau - ty all thine own,
Col - lege Heights with liv - ing soul and pur - pose strong and true,
Col - lege Heights thy no - ble life shall e'er our pat - tern be,

5

love - ly jew - el far more rare than grac - es an - y throne. Col - lege Heights,
serv - ice ev - er is thy goal, thy spir - it ev - er new.
teach - ing us through joy and strife to love hu - man - i - ty.

CHORUS

10

We hail Thee, We shall nev - - er fail Thee,

16

falt - er nev - er, live for ev - er

21

Hail! Hail! Hail!
