**Display Case for Community College**  
**September 21, 1999**

**Purpose:** For the Student Government Association to purchase a display case for Western Kentucky University's Community College.

**Whereas:** The Community College is an important link of Western Kentucky University's Campus,  
and

**Whereas:** They currently do not have a display case to exhibit and recognize faculty, staff, and student activities and programs, and

**Whereas:** The Community College students have expressed concerns about the lack of Student Government Association involvement at the Community College, and

**Whereas:** The display case can be used by the members of the Student Government Association to provide information and concerns for these students.

**Therefore:** Be it affirmed that we, the members of the Student Government Association of Western Kentucky University, do hereby purchase a display case for Western Kentucky University's Community College.
