## Recreation Floor Completely Renovated!!

The Downing University Center Recreation Floor now has a new look! The orange and lime deco look of the 70's has been replaced with modern shades of red, black, and gray.

The bowling lanes have been resurfaced and are ready to use both for bowling classes and leisure recreation. The bowling area is now enclosed within a walled area that provides a more relaxed atmosphere.

We have an updated billiards area with 18 pool tables and a WKU decor. New to the 4th floor is an enclosed video arcade which offers a variety of electronic games, pinball machines, and redemption games.

The center lounge houses a big screen TV as well as comfortable seating. Two other lounge areas provide tables and chairs for various activities and vending machines.

Also new is our dance floor that can be reserved for dances and parties. We provide a sound system with cd or cassette player for your music enjoyment.

Call 745-5793 to book your parties!
