## **ADMINISTRATIVE REPORTS** Program Coordinator

Bennie first made his announcement about the concert Monday, October 5, 1991. He expressed his disappointment that there had not been many tickets sold. He was concerned because there had only been 53 tickets sold on campus. Undercover productions was going to pick up all of the off-campus publicity for the opening act and the act itself. That was costing them seven to eight thousand dollars alone. University Center Board was going to cover all of the on-campus publicity and that was going to cost another \$1500.00. The total cost of the program was close to \$10,000. He announced that if there was not at least 1000 or more tickets sold there would not be another concert of that size at Western. Bennie did a lot of work preparing for this concert including trying to pass it through the Board of Regents and the President for two years. He encouraged everyone to work to try to get everyone to come. Tickets are \$9.98. He announced that he wants a copy of everyone's office hours.
