**ADMINISTRATIVE REPORTS**

Program Coordinator

University Center Board and Student Associative Government used to have an agency account but because of audit it is lost. Now they are having to go through purchasing. The Board of Regents hasn't given us the approved budget so we can't secure any musical entertainment. There is alot going on the weekend of the Eastern-Western game. Friday night the fourth floor will be open and Jim Minton will be playing. Saturday at 10:00 there will be a video game tournament. Black Widow will be playing for tailgating. After the game there will be a wild video dance party on DUC South Lawn. The tent placement has been changed for homecoming. Alan Jackson will have a concert in Diddle Arena the weekend of the Bowling Green 10K run. This concert is not affiliated with University Center Board. There is a small potential of having a homecoming concert. Bennie is working on a black concert for that weekend to try to keep the black students at WKU instead of going to Kentucky State or Tennessee State.

Student Activities Director
