

Summer Executive Council Retreat, Saturday June, 30, 2007, in the Student Government Association Main Office.

New Business

ASGA Conference in Daytona Beach, Florida on November 4&5. We need to join the ASGA before we can register for the conference. Western's SGA has never attended because have not been members. Members can attend conferences at a discounted rate and there are other benefits. Cherieth Lineweaver to build ASGA into annual SGA budget and put in Operations permanently.

Need Brian Fisher to pass Fall Election Codes. Fall Elections are September 17&18, with the Mandatory Interest Meeting on September 11th at 6:00pm.

Organizational Aid:

- Interest Meeting: Thursday, September 6th at 6:00pm in DUC 305
- Send out "Save the Date" postcards to every organization before the Interest Meeting
- Give packets with Org Aid forms and questions out at Interest Meeting
- All paperwork due to DUC 130 by 2:00pm on Friday, September 14th
- Interviews held in DUC 130 September 17-20 from 4-9pm

Fall Retreat will be held at Barren River Lake on September 28-30th. Need two university vans. Skylar Jordan and Lineweaver to drive; need to take university driver's test.

Host SGA Week in the late spring. Keep same schedule as the 2007 SGA Week. Add a movie night with Campus Activities Board after the Block Party.

Jeanne Johnson will meet with the Director of Athletics to find a way to get SGA more involved with the WKU Football Team.

Homecoming:

- Queen Candidate
- Tent with balloons and food
- Jordan for Queen Selection Committee

Winter Banquet will be December 4th at 6:00pm. This year, invite the Organizational Aid Board and give them some kind of "thanks."

Weekly Executive Cabinet meetings during the fall will be immediately after the Senate meetings. On Tuesday, August 28th, Exec will meet at 5:00pm in the SGA Main Office.

Johnathon Boles has list of office supplies and nametags/nameplates to order.

Johnson will order office furniture from Cardinal.

Present members recommend to the Speaker and Secretary of the Senate that they move offices. Scott Taylor offered SGA the old Telephone Services Office in DUC for DUC 123, the current Senate Office. The Telephone Services Office is next door to the Main Office which would be much more convenient. Taylor would use 123 for Leadership development, such as a consistent meeting room for Dynamic Leadership Institute. SGA would also gain storage space on the third floor of DUC with the trade.

Constitutional Revisions to be voted on and take effect in Fall Elections:

- Expanding the role of the Director of Academics and Student Affairs. Adding five office hours a week. Adding a stipend.
- Removing the clause "except for Student Regent" within the responsibilities from Executive Vice-President to President.
- Making the Administrative Vice-President the Chair of the Organizational Aid Board.

A Bylaws revision may take place during the school year.

Incoming Judicial Branch:

Chief Justice: Brian Fisher

Justices: Tony Wong-returning, Ashley Gore, Earlene Whitaker and Cory Gerald

Committee Heads (recommended to Speaker):

Legislative Research Committee: Jonathon Roy

Student Affairs: Lucas Humble

Academic Affairs: Jamie Mann

Campus Improvements: Nate Eaton

Public Relations: Jessica VanWinkle

Professor Accountability and Evaluations (Ad-Hoc): Sarah Collins

Board of Regents Update:

- Added new cell phone center
- Added new majors, one in sports
- Faculty Regent position still available
- Summer Retreat: July 12&13

BSBP Update:

- Now can bring one additional person with you to meetings
- Main focus this year is on lobbying
- Next meeting: July 13&14

Individual Fall Goals

Jeanne: An organized Organizational Aid. Two boxes in Main Office; one for originals and other for copies of everything turned in.

Filing cabinet for all forms: Org Aid, scholarships, Senate applications, Buy-A-Book applications, etc.

Cherieth: The budget.

Skylar: Organizing a networking seminar in October. Kind of like a second KLA but more how to improve our individual campuses and the state of Kentucky. A place to bounce ideas and bond with other Executive Cabinets. Issues to discuss: tuition increases, disproportionate funding and domestic partner benefits (mainly the state of Kentucky's involvement). Jeanne will ask Charley Pride, then the other presidents at BSBP in July.

Educating himself more on the Math and Science Academy for high school students that is opening in the fall.

Creating a University Committee for helping WKU "Go Green."

Johnathon: Having a successful (mandatory) fall retreat.

To work with committees.

Liz: Develop the knowledge at large about SGA. Possible campaign: Why is SGA important to you?

Developing stronger relationships with radio and newspapers.

Setting up an easy PR department that can be ongoing.
