IMPORTANT REMINDER - SOUTHERN ASSOCIATION SELF-STUDY

The Visitation Committee appointed by the Southern Association for Western's Self-Study will be on campus March 25-28. Dr. Richard H. Barbe, Associate Dean, School of Education, Georgia State University, has been named Chairman of the Committee. The members of the committee will be on the campus to assist us in completing the Self-Study. Each member of the faculty and staff is requested to assist in hosting the committee and to provide information and materials which will be helpful to the committee in the accomplishment of their purposes and objectives.

REPORT ON THE MEETING OF THE BOARD OF REGENTS

The Board of Regents met in regular session on February 24, 1973, and gave approval to a revised long-range plan for the future development of the campus. The campus has been developed in accordance with a master plan since 1911, when the institution was moved to its present location. In 1966 the Board adopted a new master plan developed by the University in cooperation with the firm of Johnson, Johnson & Roy, landscape architects of Ann Arbor, Michigan. The basic concepts of that plan remain valid, and the revisions approved by the Board are to provide for the future growth and development of Western. The updated revised plan was developed by Ryan Associated Architects of Louisville, Kentucky, in consultation with Johnson, Johnson & Roy.

The Board gave approval to recommendations for personnel changes, including the appointment of Mr. Ronald D. Beck and Mr. Larry E. Berry as Assistant Deans of Student Affairs. Mr. Howard E. Bailey and Miss Elizabeth Keeton were named staff assistants in the Office of Student Affairs. Mr. Walter Nalbach's retirement as head of the Department of Industrial Education and Technology was approved. Mr. Nalbach will continue as a member of the faculty in the department. Dr. Jim K. Goodrum was appointed to the staff in University Health Services replacing Dr. Thomas Perkins. Mr. Arthur Tolis was named assistant basketball coach filling the position made vacant by the resignation of Mr. Benny Dees. Mr. Samuel T. Clark, head football coach at Campbellsville High School, replaced Mr. Art Zeleznik as assistant football coach and instructor in the Department of Physical Education and Recreation.

Approval was given for a minor in Athletic Coaching and for a minor in Dental Hygiene. The Board authorized the University to study the feasibility and desirability of inaugurating a four-year program in nursing.

The Regents authorized the establishment of stipends by rank for a full teaching load in the Summer School. In submitting this recommendation to the Board, it was pointed out that the 1972-73 letter of appointment sent to each faculty member indicated a change would be made but did not specify this plan which is the result of several weeks of study and deliberation. Therefore, the President requested and the Board authorized the review of each individual case and the making of adjustments whereby no faculty member teaching in the 1973 summer session will receive a stipend less than he or she was eligible to receive in 1972. Future summer stipends will be in keeping with the plan adopted by the Board establishing stipends by rank, and the letters of appointment will be specific so that there will be no misunderstanding or chance of misinterpretation of the policy.
