Bill 01-13-S
Proposed Constitutional Amendment
March 26, 2001

PURPOSE: To amend the Constitution of the Student Government Association of Western Kentucky University.

WHEREAS: The Student Government Association is the official voice for student concerns on campus, and

WHEREAS: Because all Student Government Association matters are just as much student matters, it is imperative that all Western Kentucky University students are given the greatest opportunity to participate in Student Government affairs, and

WHEREAS: The current design of Student Government Association Executive elections unfairly restrict student input into SGA leaders, and

WHEREAS: A major goal of the Student Government Association is to increase student involvement, and

WHEREAS: The requirement that candidates for President and Executive Vice President run on a joint ticket greatly limits student involvement.

THEREFORE: Be it affirmed that we, the members of the Student Government Association of Western Kentucky University, do hereby amend the Student Government Association's Constitution by striking article II, Section 2, Clause 6.
