**R.E.: CONTINUATION OF HEALTH AND ACTIVITY FEE**

Dear Ms. Garmon,

Resolution 93-20-F, continuation of health and activity fee, was passed at our December 7, 1993 Student Government Association congress meeting.

This resolution was passed to show our support of an outdoor recreational facility at Western Kentucky University. We want the administration to know that as representatives of the student body we support a continuation of the current \$5 health and activity fee that is currently funding the Preston Center. This fee would be no further burden on the students and would be of great benefit in the future to the students.
