Vice President for Student Affairs
314 Potter Hall

Dr. Wilder,

This letter is to inform you that the Student Government Association has agreed to allocate funds to the Murray State University Fire Relief Fund. Bill 98-2-F (attached) allocates two hundred and fifty dollars to the victims of the Hester Hall dorm fire.

The Student Government feels it is critical to help support our fellow institution in this great time of need. This disaster has left many students without clothing and other personal items. We feel that with this allocation and other donations received from other state universities and organizations that Murray State will be helped in this time of need.

If you have any questions or concerns, please feel free to call or stop by anytime.

Sincerely,

Matthew D. Bastin
VP of Administration, 1998-1999
