Dr. Wilder,

This letter is to inform you that the Student Government Association has decided to sponsor the 2nd annual Women of Western Conference. Bill 98-4-F (attached) allocates three hundred dollars to the conference.

The Student Government feels that this conference will provide an excellent opportunity for growth through encouraging leadership enhancement and networking opportunities. We feel that this is an excellent opportunity to promote a more diverse and culturally aware campus.

If you have any questions or concerns, please feel free to call or stop by anytime.

Sincerely,

Matthew D. Bastin
