VICE PRESIDENT FOR FINANCE AND ADMINISTRATION**

FROM: SGA EXECUTIVE COUNCIL

Dear Dr. Ramsey,

As pursuant to Resolution 93-9-F, ATM Installation, passed at our November 9, 1993, meeting, we ask that Western Kentucky University approach local banking institutions to place bids on the automatic teller machine. We feel that a second ATM location on campus would be beneficial to the student body.

Please contact the Student Government Association Office if any questions or concerns.
