Dear Mr. Downing,

Resolution 93-11-F, Minority Scholarships, was passed at our November 30, 1993 Student Government Association Congress meeting. Many students have voiced a concern to us about the equal opportunity for scholarships for ethnic minorities.

We would appreciate any information that you have concerning ethnic minority scholarships and if any additional funding can be allocated for this purpose.

Please contact us with any comments, concerns, or suggestions that you may have. We would really like to see additional ethnic minority scholarships become a reality to help the many deserving students who are in desperate need of financial help. We want to work closely with you on this matter so please contact Donald or any of the Executive officers at your earliest convenience.
