MEMORANDUM

TO: Mr. Claude Threlkeld, Ground Maintenance Supervisor
FROM: Jason Scott Embry, Treasurer
DATE: November 22, 1993
SUBJECT: SGA Legislation -- Crosswalks

On Tuesday, November 16, the Student Government Association passed Resolution 93-13-F regarding the painting of crosswalks across Normal Drive at the intersections of Virginia Garrett Drive and Regents Drive. SGA feels that additional crosswalks along the eastern perimeter of campus would increase the safety to Western's off-campus student population who live or park their cars in this area.

Please contact me at 4354 if you have any questions. On behalf of the Student Government Association, I greatly appreciate all of the assistance given by you and your fellow staff at Facilities Management. Thanks so very much!

Date: December 3, 1993
Re: Crosswalks on Normal Drive

This memo is in regard to our recent conversation concerning the painting of crosswalks at Virginia Garrett Avenue and Normal Drive and Regents Drive and Normal Drive.

These two places are heavily traveled by students and the appropriate crossing places need to be marked to notify pedestrians where to cross. This would also warn on-coming vehicles to slow down and avoid potential dangers.

This resolution was adopted by our Student Government Association as an item that needs to be corrected. Several students have expressed this concern, and we think this would be in the best interest of both the city of Bowling Green and the students of Western Kentucky University.

Please forward this memo as well as the resolution to the appropriate parties. Thanks for your consideration in this matter. If you have any further questions please don't hesitate to call.
