Dr. Jerry Wilder
Vice President for Student Affairs
314 Potter Hall

Dear Dr. Wilder,

The Student Government Association recently passed a resolution asking that the university work with the city of Bowling Green to place a crosswalk on Normal Drive between E.A. Diddle Park and the Environmental Science and Technology Building. The Student Government sees this area as an extreme danger to the hundreds of students that cross the street at this sight.

The Student Government Association passed this resolution and feels it is important to the students of Western Kentucky University. Attached you will find a copy of Resolution 98-1-F *Placing of Crosswalk on Normal Drive*. We hope that you review this resolution carefully and respond as soon as possible.

As the Student Government Vice President for Administration, it is my job to direct the resolutions to the proper departments within the University. I have also sent a copy to the Director of Public Safety and to the Director of Physical Plant and Facilities Management. We hope that you are able to help us in this matter and would like to have feedback from you at your earliest convenience.

If you have any questions or concerns, please feel free to call or E-mail me (bastimd@wku.edu). The members of the Student Government Association appreciate your attention to this issue.

Sincerely,

Matthew D. Bastin
VP of Administration, 1998-1999
