Contributor Agreement

In order to make your work(s) openly available on TopSCHOLAR, the Research and Creative Activity Database of WKU, you as a Contributor are asked to sign this TopSCHOLAR agreement, which:

- *confirms that you as the Contributor (or the copyright holder if different from the Contributor) shall retain all rights.*
- *grants Western Kentucky University permission to distribute and to take the necessary steps to preserve your work.*

I, as the creator of scholarly content ("Contributor"), do hereby grant Western Kentucky University permission to maintain and share copies of my original work(s) ("Submission") under the following terms and conditions:

COPYRIGHT:

No copyrights are transferred by this agreement, so I, as the Contributor, or the copyright holder if different from the Contributor, shall retain all rights. If I am the copyright holder of a Submission, I represent that third-party content included in the Submission has been used with permission from the copyright holder(s), or falls within fair use under United States law (<http://www.copyright.gov/title17/92chap1.html#107>).

REPRESENTATION OF ORIGINAL AUTHORSHIP:

I represent and warrant that I am the original author of the Submission.

ACCESS AND USE:

My Submission will be maintained in an open access, online digital environment via TopSCHOLAR. The Submission is intended for educational purposes only. Signing this document neither endorses nor authorizes the commercial use of my work in TopSCHOLAR by Western Kentucky University or any other person or organization. Because materials on TopSCHOLAR are openly available online to anyone with internet access, I do not hold Western Kentucky University responsible for third party use of my submission. I agree that Western Kentucky University may keep more than one copy of my Submission for preservation purposes.

TERM:

This agreement will remain in effect unless permission is withdrawn by Contributor via written request to WKU Libraries.
