President's Message

On September 6 we members of the Kentucky Colonel Chapter of ABIA lost a very dear friend. To those who knew Dixie Ring it presented a deep loss. She was a bright spot in our lives. She is gone but not forgotten.

Work is progressing on the tea. We are looking forward to a big success.

Many thanks from the Executive Board for your vote of confidence in the election of new officers. We will work diligently to carry out your trust. We appreciate your efforts in helping us to fulfill our obligation as ABIA members.

Please remember to pay your debts as soon as possible. Our treasury suffers when you do not turn in money received on Ways & Means projects. You may lose your vote on a very important project if not in good standing with the chapter.

Our Job

Our job is to do our best, to be our best, and bring out the best in others, and to make this a better world.

Courtesy and kindness cause few regrets.
Some people aim at nothing and usually hit it.

Decide....then do it.

Tooting horns, especially your own, is tiresome.

A friendly voice offends no one.

Anytime is a good time to start doing things, but next to yesterday you can't beat today.

A Prayer

Bless our Kentucky Colonel Chapter,
Black and gold.

May it be filled with rapture,
Brave and bold.

Bless each of our members,
Happy and bright.

May each one welcome her duties,
with Strength and mig .

A. B. W. A.'s Creed

"If you work for a man, in Heaven's name, work for him. If he pays you wages which supply you bread and butter, work for him; speak well of him; stand by him and stand by the institution he represents. If put to a pinch, an ounce of loyalty is worth a pound of cleverness. If you must vilify, condemn and eternally disparage--resign your position, and when you are outside, damn to your heart's content, but as long as you are part of the institution do not condemn it. If you do that, you are loosening the tendrils that are holding you to the institution, and at the first high wind that comes along you will be uprooted and blown away, and probably will never know the reason why.
