PRESIDENT'S MESSAGE

1978

Dear Members:

Hurray! ! Hurray! ! We are one year old. What a wonderful year. I look back over the past year with great pride. This was a dream come true. We increased our membership to over fifty. Our programs this year were enjoyed by all. We learned from the different speakers how they researched their family lines, published books, and some of their goals and clues in research. Our special speaker was the Librarian Mrs. Sharon Turnbull from the L. D. S. Library Branch in Madison, Tenn. She told of the data they had to offer for research in America and Overseas. Our greatest Goal was the success of our Workshop held in July at the Western Kentucky University Campus. The money we made from this we purchased books that will help all of us. Our Goal for the coming year is to have more speakers on Genealogy. Let's make our Workshop this year even bigger and better. Everyone helping we can achieve this Goal.

We have purchased several books and quarterlys for our club. These books are available to each member. You have to check out these books by signing a sheet of paper with your name, date and name of book. This can be done at any of the meetings or by calling me at 843-1477. This way we know who has each book and where it can be found.

The enclosed Map is a little gift from me. I have had this for a long time. This has been useful to me. I hope you enjoy it as much as I have.

Best Wishes for the coming year.

your President,

*Clair Lawrence*
